

PUT YOUR FLEET ON A DIET

BAC 101 DETOX + BETTER DIESEL FBC

STEP 1

THE DETOX

BAC 101 DPF CLEAN AT YOUR YARD

BAC 101 DPF cleaning at your yard pulls out the built-up ash and soot. No downtime hauling trucks to a shop.

STEP 2

THE DIET

BETTER DIESEL FBC · 1 OZ / 25 GAL

Better Diesel FBC fuel-borne catalyst at every fill-up. 1 oz per 25 gal. Helps keep new soot from building back up.

WHAT THE MANUFACTURER REPORTS WITH BETTER DIESEL FBC*

LESS SOOT

EASIER REGENS

FUEL SAVINGS

WHY BOTH?

The detox clears out what has already built up. The diet helps keep new soot from coming back. Keep BAC 101 cleans on a regular schedule and your fleet stays lean.

CLEAN IT OUT. THEN KEEP IT LEAN.

Better Diesel FBC is registered with U.S. EPA under 40 CFR Part 79.

*Benefits shown are as reported by the manufacturer, Better Diesel FBC, Inc. Results vary by engine and duty cycle.
